

## **Quick Reference – Help! I’ve Forgotten My Username or Password?**

Don't fret, we have you covered. Simply go to the login page at [WidgetMakr.com](http://WidgetMakr.com) and click on the Forgot username or Password link. All you need to do is provide us with the email address that's associated with your account and we'll send a new password to your email. When you log back in, you can change your password to something that you'll remember. It's that easy.
